

# Active and nonlinear microrheology of complex materials

*Tuesday, 25 April 2006 09:00 (0:45)*

## Content

## Summary

**Primary author(s)** : T. SQUIRES (Univ. California at Santa Barbara, Chemical Engg., Santa Barbara, U.S.A.)

**Presenter(s)** : T. SQUIRES (Univ. California at Santa Barbara, Chemical Engg., Santa Barbara, U.S.A.)

**Session Classification** : Active and nonlinear microrheology of complex materials
