Thursday 29 June 2006 .....	1
-----------------------------	---

# **Workshop on Ion Beam Studies of Nanomaterials: Synthesis, Modification and Characterization | (smr 1758)**

## **Thursday 29 June 2006**

**Phase Transitions in Pressurized Solids Triggered by Energetic Heavy Ions - Adriatico**  
**Guest House Giambiagi Lecture Hall (09:00-10:00)**

time	title	presenter
09:00	Phase Transitions in Pressurized Solids Triggered by Energetic Heavy Ions	M. LANG (GSI, DARMSTADT, GERMANY)
