

Endohedral fullerenes and electron spin resonance quantum information processing

Monday, 10 July 2006 18:00 (1:00)

Content

Summary

Primary author(s) : ARZHANG ARDAVAN (University of Oxford, U.K.)

Presenter(s) : ARZHANG ARDAVAN (University of Oxford, U.K.)

Session Classification : Endohedral fullerenes and electron spin resonance quantum information processing
