

Statistically-degenerate indirect excitons in coupled quantum wells: In-plane traps and extremely low temperatures

Friday, 14 July 2006 11:30 (1:00)

Content

Summary

Primary author(s) : ALEX IVANOV (Cardiff University, U.K.)

Presenter(s) : ALEX IVANOV (Cardiff University, U.K.)

Session Classification : Statistically-degenerate indirect excitons in coupled quantum wells: In-plane traps and extremely low temperatures
