

IUPAP Working Group on Women in Physics

Supporting Women in Physics in Developing Countries

We have received funding to launch a fifth round of the IUPAP program to fund the attendance of women from developing and eastern European countries at regional conferences and schools this fall. We expect to be able to fund 25 women up to a maximum of \$800 each.

Applications for these grants should be received no later than March 31, 2006. Recipients will be chosen by the IUPAP Working Group on Women in Physics in April 2006 and we will notify everyone in May 2006.

Only women physicists from Eastern Europe or developing countries may apply. Due to limited funding those who have received a grant in the past, under this program, are not eligible for a second grant.

Those interested in applying for a grant should submit the following information by March 31, 2006:

1. Complete contact information including name, address, e-mail and phone:
2. Years since your Ph.D (or undergraduate degree for graduate students).
3. Brief description of the conference or workshop you wish to attend (including date of conf., place to be held, & website if available)
4. Brief statement of how attending the conference will enhance your career.
5. Letter of recommendation -
6. A breakdown of the amount of money (up to \$800 US) required to attend (Ex: Airfare, registration fee, meals).

The requested information should be submitted via e-mail to Jackie Beamon-Kiene at beamon@aps.org or by mail to Jackie Beamon-Kiene, IUPAP, One Physics Ellipse, College Park, MD 20740, USA. Information should be sent as a WORD document or as text within an e-mail. Please do not send as a pdf attachment.

Sincerely,

Marcia Barbosa, Chair, IUPAP Working Group on Women in Physics (barbosa@pclief12.if.ufrgs.br)
