

LESSON 1 - Thermodynamics based on time average and temporal extensivity of entropy

Monday, 31 July 2006 15:45 (1:30)

Content

Summary

Primary author(s) : S. ABE (University of Tsukuba, Ibaraki, Japan)

Presenter(s) : S. ABE (University of Tsukuba, Ibaraki, Japan)

Session Classification : LESSON 1 - Thermodynamics based on time average and temporal extensivity of entropy
