

Multiple Phase Transitions and Phase Diagram of Multiferroics under High Magnetic Fields up to 45 tesla

Tuesday, 15 August 2006 16:00 (1:00)

Content

Summary

Primary author(s) : K.H. KIM (Seoul National University, Korea)

Presenter(s) : K.H. KIM (Seoul National University, Korea)

Session Classification : Multiple Phase Transitions and Phase Diagram of Multiferroics under High Magnetic Fields up to 45 tesla
