

Quantum criticality in multilayer He-3 films / Quantum phase transitions and quantum criticality in 3He and superfluid 4He films

Tuesday, 22 August 2006 11:30 (1:00)

Content

Summary

Primary author(s) : J. SAUNDERS (Royal Holloway University of London, U.K.)

Presenter(s) : J. SAUNDERS (Royal Holloway University of London, U.K.)

Session Classification : Quantum criticality in multilayer He-3 films / Quantum phase transitions and quantum criticality in 3He and superfluid 4He films
