

Virial expansion for the spin-spin correlation function in the off-critical Quantum Ising model

Thursday, 24 August 2006 09:00 (1:00)

Content

Summary

Primary author(s) : A. TSVELIK (BNL, Upton, U.S.A.)

Presenter(s) : A. TSVELIK (BNL, Upton, U.S.A.)

Session Classification : Virial expansion for the spin-spin correlation function in the off-critical Quantum Ising model
