

# Interplay between superconductivity and magnetism in nano-engineered superconductor/ferromagnet hybrids

*Thursday, 24 August 2006 16:00 (1:00)*

## Content

## Summary

**Primary author(s)** : V. MOSCHALKOV (Universiteit Katholieke Leuven, Belgium)

**Presenter(s)** : V. MOSCHALKOV (Universiteit Katholieke Leuven, Belgium)

**Session Classification** : Interplay between superconductivity and magnetism in nano-engineered superconductor/ferromagnet hybrids
