

International Symposium on the Jahn-Teller Effects: Novel Aspects in
Orbital Physics and Vibronic Dynamics of Molecules and Crystals | (smr
1768)

Contribution ID : 7

Type : **not specified**

Solitons and Polarons in Jahn-Teller Systems

Monday, 28 August 2006 15:30 (0:30)

Content

Summary

Primary author(s) : D. P. CLOUGHERTY (Dep. of Physics, Univ. of Vermont, Burlington, USA)

Presenter(s) : D. P. CLOUGHERTY (Dep. of Physics, Univ. of Vermont, Burlington, USA)

Session Classification : Solitons and Polarons in Jahn-Teller Systems
