

Calculation of vibronic coupling constant and vibronic coupling density analysis

Wednesday, 30 August 2006 15:30 (0:30)

Content

Summary

Primary author(s) : K. TOKUNAGA (Dept. of Molecular Engineering, Graduate School of Engineering, Kyoto Univ., Japan)

Presenter(s) : K. TOKUNAGA (Dept. of Molecular Engineering, Graduate School of Engineering, Kyoto Univ., Japan)

Session Classification : Calculation of vibronic coupling constant and vibronic coupling density analysis
