## Photochemistry meets physics: semiclassical dynamics of light-driven molecular switches

*Thursday, 31 August 2006 09:30 (0:40)*

### Content

### Summary

**Primary author(s) :** D. PASSERONE (Inst. of Organic Chemistry, Univ. of Zurich, Switzerland)

**Presenter(s) :** D. PASSERONE (Inst. of Organic Chemistry, Univ. of Zurich, Switzerland)

**Session Classification :** Photochemistry meets physics: semiclassical dynamics of light-driven molecular switches
