

International Symposium on the Jahn-Teller Effects: Novel Aspects in
Orbital Physics and Vibronic Dynamics of Molecules and Crystals | (smr
1768)

Contribution ID : 37

Type : not specified

Metal Dimer and Trimer within Sphere Carbon Cage

Thursday, 31 August 2006 12:00 (0:40)

Content

Summary

Primary author(s) : TATSUHISA KATO (Dept. of Chemistry, Josai Univ., Japan)

Presenter(s) : TATSUHISA KATO (Dept. of Chemistry, Josai Univ., Japan)

Session Classification : Metal Dimer and Trimer within Sphere Carbon Cage
