

International Symposium on the Jahn-Teller Effects: Novel Aspects in
Orbital Physics and Vibronic Dynamics of Molecules and Crystals | (smr
1768)

Contribution ID : 39

Type : **not specified**

Jahn-Teller Correlations and Dynamics in Manganites

Thursday, 31 August 2006 15:00 (0:30)

Content

Summary

Primary author(s) : D. ARGYRIOU (Hahn-Meitner-Institut Berlin, Germany)

Presenter(s) : D. ARGYRIOU (Hahn-Meitner-Institut Berlin, Germany)

Session Classification : Jahn-Teller Correlations and Dynamics in Manganites
