Contribution ID : 40

Type : not specified

## Orbital and magnetic ordering in titanium and vanadium spinels

*Thursday, 31 August 2006 15:30 (0:30)*

### Content

### Summary

**Primary author(s) :** G. JACKELI (Inst. for Theoretical Physics, Ecole Polytechnique Federale de Lausanne, Switzerland)

**Presenter(s) :** G. JACKELI (Inst. for Theoretical Physics, Ecole Polytechnique Federale de Lausanne, Switzerland)

**Session Classification :** Orbital and magnetic ordering in titanium and vanadium spinels
