

International Symposium on the Jahn-Teller Effects: Novel Aspects in
Orbital Physics and Vibronic Dynamics of Molecules and Crystals | (smr
1768)

Contribution ID : 6

Type : not specified

A cooperative pseudo-Jahn-Teller effect in three phases of CeAlO₃

Monday, 28 August 2006 15:00 (0:30)

Content

Summary

Primary author(s) : W. J. A. MAASKANT (Leiden Inst. of Chemistry, Gorlaeus Lab., The Netherlands)

Presenter(s) : W. J. A. MAASKANT (Leiden Inst. of Chemistry, Gorlaeus Lab., The Netherlands)

Session Classification : A cooperative pseudo-Jahn-Teller effect in three phases of CeAlO₃
