Thursday 11 January 2007

Harnessing quantum fluctuations: design, physics and nanomechanics of Casimir-Lifshitz forces and QED torques - Main Building Main Lecture Hall (09:30-10:30)

Keynote talk in honor of Alfonso BALDERESCHI's 60th Birthday

Chairperson: M. PERESSI

time	title	presenter
09:30	Harnessing quantum fluctuations: design, physics and nanomechanics of Casimir-Lifshitz forces and QED torques	FEDERICO CAPASSO
