

# Vibronic effects in electron transport through atomic and molecular systems

*Thursday, 11 January 2007 12:00 (0:30)*

## Content

## Summary

**Primary author(s)** : NICOLAS LORENTE (Universite Paul Sabatier, Toulouse, France)

**Presenter(s)** : NICOLAS LORENTE (Universite Paul Sabatier, Toulouse, France)

**Session Classification** : Vibronic effects in electron transport through atomic and molecular systems
