

# Quantum mechanics in a commoving frame: An emergence of time-dependent deformation functional theory

*Friday, 12 January 2007 12:30 (0:30)*

## Content

## Summary

**Primary author(s) :** ILYA TOKATLY (Moscow Instit. of Electronic Tech., Russia / Universitat Erlangen-Numberg, Germany)

**Presenter(s) :** ILYA TOKATLY (Moscow Instit. of Electronic Tech., Russia / Universitat Erlangen-Numberg, Germany)

**Session Classification :** Quantum mechanics in a commoving frame: An emergence of time-dependent deformation functional theory
