13th International Workshop on Computational Physics and Materials Science: Total Energy and Force Methods | (smr 1824)

Saturday 13 January 2007

The Evolution of the Pseudopotential Method for Computational Materials Science - Main
Building Main Lecture Hall (09:00-10:00)

Keynote talk in honor of Roberto CAR's 60th Birthday

Chairperson: S. LOUIE

time	title	presenter
09:00	The Evolution of the Pseudopotential Method for Computational Materials Science	MARVIN COHEN
