

Synthesis & Properties of Nanoscale Transition Metal Pnictides: Novel Magnetic Materials

Tuesday, 16 January 2007 09:00 (1:15)

Content

Summary

Primary author(s) : S. BROCK (Wayne State University, Detroit, USA)

Presenter(s) : S. BROCK (Wayne State University, Detroit, USA)

Session Classification : Synthesis & Properties of Nanoscale Transition Metal Pnictides: Novel Magnetic Materials
