

# **Nucleation, crystallization, and glass transition in supercooled water - experimental probe through linear and nonlinear optics**

*Wednesday, 11 April 2007 14:30 (1:00)*

## **Content**

## **Summary**

**Primary author(s) :** HAI-LUNG DAI (Temple Univ., Science & Technology, Philadelphia, U.S.A.)

**Presenter(s) :** HAI-LUNG DAI (Temple Univ., Science & Technology, Philadelphia, U.S.A.)

**Session Classification :** Nucleation, crystallization, and glass transition in supercooled water - experimental probe through linear and nonlinear optics
