Buried interface in aqueous colloids - nonlinear optical probe of structure and kinetics at the water-solid interface

Thursday, 12 April 2007 09:00 (1:00)

Content

Summary

Presenter(s): HAI-LUNG DAI (Temple Univ., Science & Technology, Philadelphia, U.S.A.)

Session Classification: Buried interface in aqueous colloids - nonlinear optical probe of structure

and kinetics at the water-solid interface
