

Simulation studies on water in hydrophobic and hydrophilic environments - Part I

Tuesday, 17 April 2007 17:00 (1:00)

Content

Summary

Primary author(s) : B. SUNDARAM (JNCASR, Chemistry & Physics of Materials Unit, Bangalore, India)

Presenter(s) : B. SUNDARAM (JNCASR, Chemistry & Physics of Materials Unit, Bangalore, India)

Session Classification : Simulation studies on water in hydrophobic and hydrophilic environments - Part I
