

## Simulation studies on water in hydrophobic and hydrophilic environments - Part II

*Thursday, 19 April 2007 10:30 (1:00)*

### Content

### Summary

**Primary author(s) :** B. SUNDARAM (JNCASR, Chemistry & Physics of Materials Unit, Bangalore, India)

**Presenter(s) :** B. SUNDARAM (JNCASR, Chemistry & Physics of Materials Unit, Bangalore, India)

**Session Classification :** Simulation studies on water in hydrophobic and hydrophilic environments - Part II
