

Simulation studies on water in hydrophobic and hydrophilic environments - Part II

Thursday, 19 April 2007 10:30 (1:00)

Content

Summary

Primary author(s) : B. SUNDARAM (JNCASR, Chemistry & Physics of Materials Unit, Bangalore, India)

Presenter(s) : B. SUNDARAM (JNCASR, Chemistry & Physics of Materials Unit, Bangalore, India)

Session Classification : Simulation studies on water in hydrophobic and hydrophilic environments - Part II
