

Tuning spin transport and magnetoconductance in a semiconductor quantum ring with Rashba spin-orbit interaction

Tuesday, 5 June 2007 18:20 (0:20)

Content

Summary

Primary author(s) : A. TAGLIACCOZZO (Univ. di Napoli "Federico II")

Presenter(s) : A. TAGLIACCOZZO (Univ. di Napoli "Federico II")

Session Classification : Tuning spin transport and magnetoconductance in a semiconductor quantum ring with Rashba spin-orbit interaction
