

## **Finite size effects, super- and sub-poissonian noise in a nanotube connected to leads**

*Wednesday, 6 June 2007 10:40 (0:20)*

### **Content**

### **Summary**

**Primary author(s) :** A. CREPIEUX (CNRS, Centre Physique Theorique, Marseille)

**Presenter(s) :** A. CREPIEUX (CNRS, Centre Physique Theorique, Marseille)

**Session Classification :** Finite size effects, super- and sub-poissonian noise in a nanotube connected to leads
