# Conference on Quantum Phenomena in Confined Dimensions | (smr 1844)

## Monday 04 June 2007

**Kondo effect and spin correlation in single InAs self-assembled quantum dots with nanogap electrodes of normal, superconducting and ferromagnetic metal - Adriatico Guest House  
Kastler Lecture Hall (10:40-11:40)**

| time  | title   | presenter  |
|-------|---|------------|
| 10:40 | Kondo effect and spin correlation in single InAs self-assembled quantum dots with nanogap electrodes of normal, superconducting and ferromagnetic metal | S. TARUCHA |
