

# Nonlinear phenomena in Neuroscience: Synchronization, Unstable attractors and Self-organized Criticality

*Friday, 20 July 2007 11:00 (0:45)*

## Content

## Summary

**Primary author(s) :** T. GEISEL

**Presenter(s) :** T. GEISEL

**Session Classification :** Nonlinear phenomena in Neuroscience: Synchronization, Unstable attractors and Self-organized Criticality
