

# **A novel supersymmetric and grand unified seesaw scenario for lepton flavour violation**

*Tuesday, 24 July 2007 10:30 (0:30)*

## **Content**

## **Summary**

**Primary author(s) :** ANNA ROSSI (University of Padova)

**Presenter(s) :** ANNA ROSSI (University of Padova)

**Session Classification :** A novel supersymmetric and grand unified seesaw scenario for lepton flavour violation
