

Magnetization process of two-dimensional highly frustrated spin-1/2 quantum antiferromagnets

Monday, 13 August 2007 09:00 (0:40)

Content

Summary

Primary author(s) : J. ANDREAS HONECKER (University of Gottingen)

Presenter(s) : J. ANDREAS HONECKER (University of Gottingen)

Session Classification : Magnetization process of two-dimensional highly frustrated spin-1/2 quantum antiferromagnets
