

Summer School on Novel Quantum Phases and Non-equilibrium  
Phenomena in Cold Atomic Gases | (smr 1859)

Contribution ID : 10

Type : **not specified**

## Laser speckle: a wonderful tool for quantum gases in disordered potential (II)

*Tuesday, 28 August 2007 16:25 (0:45)*

**Content**

**Summary**

**Primary author(s)** : A. ASPECT (University of Paris XI - Sud)

**Presenter(s)** : A. ASPECT (University of Paris XI - Sud)

**Session Classification** : Laser speckle: a wonderful tool for quantum gases in disordered potential (II)
