

Summer School on Novel Quantum Phases and Non-equilibrium
Phenomena in Cold Atomic Gases | (smr 1859)

Contribution ID : 22

Type : **not specified**

Introduction to disordered ultracold quantum gases

Friday, 31 August 2007 09:00 (1:00)

Content

Summary

Primary author(s) : M. LEWENSTEIN (ICFO Barcelona)

Presenter(s) : M. LEWENSTEIN (ICFO Barcelona)

Session Classification : Introduction to disordered ultracold quantum gases
