

Summer School on Novel Quantum Phases and Non-equilibrium
Phenomena in Cold Atomic Gases | (smr 1859)

Contribution ID : 25

Type : **not specified**

Quantum degenerate mixtures and disorder in optical lattices

Monday, 3 September 2007 09:00 (1:00)

Content

Summary

Primary author(s) : M. INGUSCIO (LENS University of Florence)

Presenter(s) : M. INGUSCIO (LENS University of Florence)

Session Classification : Quantum degenerate mixtures and disorder in optical lattices
