

Summer School on Novel Quantum Phases and Non-equilibrium
Phenomena in Cold Atomic Gases | (smr 1859)

Contribution ID : 38

Type : **not specified**

Fundamentals of spinor Bose-Einstein Condensates

Wednesday, 5 September 2007 10:00 (1:00)

Content

Summary

Primary author(s) : M. UEDA (Tokyo Institute of Technology)

Presenter(s) : M. UEDA (Tokyo Institute of Technology)

Session Classification : Fundamentals of spinor Bose-Einstein Condensates
