

Summer School on Novel Quantum Phases and Non-equilibrium  
Phenomena in Cold Atomic Gases | (smr 1859)

Contribution ID : 42

Type : **not specified**

## Engineering interactions with polar molecules

*Wednesday, 5 September 2007 16:15 (0:45)*

### Content

### Summary

**Primary author(s)** : H.P. BUECHLER (University of Innsbruck)

**Presenter(s)** : H.P. BUECHLER (University of Innsbruck)

**Session Classification** : Engineering interactions with polar molecules
