

Summer School on Novel Quantum Phases and Non-equilibrium
Phenomena in Cold Atomic Gases | (smr 1859)

Contribution ID : 49

Type : **not specified**

Dissipationless Higgs Boson in Fermionic condensates

Friday, 7 September 2007 10:00 (1:00)

Content

Summary

Primary author(s) : R. BARANKOV (Boston University)

Presenter(s) : R. BARANKOV (Boston University)

Session Classification : Dissipationless Higgs Boson in Fermionic condensates
