Experiment in Prospective Earthquake Prediction Using Reverse Tracing of Precursors (RTP) Algorithm

Thursday, 11 October 2007 11:10 (0:50)

Content

Summary

Primary author(s) : PROF. P. SHEBALIN (International Institute of Earthquake Prediction Theory and Mathematical Geophysics, Russian Academy)

Presenter(s) : PROF. P. SHEBALIN (International Institute of Earthquake Prediction Theory and Mathematical Geophysics, Russian Academy)

Session Classification : Experiment in Prospective Earthquake Prediction Using Reverse Tracing of Precursors (RTP) Algorithm
