

Inverse Problems and Data Assimilation in Non-linear Earth Sciences

Friday, 5 October 2007 11:10 (0:50)

Content

Summary

Primary author(s) : PROF. A. ISMAIL-ZADEH (International Institute of Earthquake Prediction Theory and Mathematical Geophysics, Russian Academy)

Presenter(s) : PROF. A. ISMAIL-ZADEH (International Institute of Earthquake Prediction Theory and Mathematical Geophysics, Russian Academy)

Session Classification : Inverse Problems and Data Assimilation in Non-linear Earth Sciences
