

Premonitory Transformation of Scaling in Complex Processes

Monday, 8 October 2007 11:10 (0:50)

Content

Summary

Primary author(s) : PROF. V. KEILIS-BOROK (International Institute of Earthquake Prediction Theory and Mathematical Geophysics, Russian Academy)

Presenter(s) : PROF. V. KEILIS-BOROK (International Institute of Earthquake Prediction Theory and Mathematical Geophysics, Russian Academy)

Session Classification : Premonitory Transformation of Scaling in Complex Processes
