School on Pulsed Neutrons: Characterization of Materials | (smr 1866)

Contribution ID : 21

Type : not specified

New Directions in Data Processing and Analysis for Pulsed Neutron Sources and Magnetic Systems

Friday, 19 October 2007 10:30 (1:30)

Content

Summary

Primary author(s) : T. PERRING (Rutherford Appleton Laboratory, Didcot, UK)

Presenter(s) : T. PERRING (Rutherford Appleton Laboratory, Didcot, UK)

Session Classification : New Directions in Data Processing and Analysis for Pulsed Neutron Sources and Magnetic Systems
