

Scattering Methods for the Study of Correlated Electron Systems (Complex Transition Metal Oxides)

Monday, 22 October 2007 14:00 (1:30)

Content

Summary

Primary author(s) : T. BRUECKEL (Forschungszentrum Julich GmbH, Germany)

Presenter(s) : T. BRUECKEL (Forschungszentrum Julich GmbH, Germany)

Session Classification : Scattering Methods for the Study of Correlated Electron Systems (Complex Transition Metal Oxides)
