Experimental Cross Sections for the Production of Residual Nuclides at Medium Energies: Status, Recent Progress and Challenges for Modeling

Thursday, 7 February 2008 14:45 (0:45)

Content

Summary

Primary author(s) : R. MICHEL (Univ. of Hannover, Germany)

Presenter(s) : R. MICHEL (Univ. of Hannover, Germany)

Session Classification : Experimental Cross Sections for the Production of Residual Nuclides at Medium Energies: Status, Recent Progress and Challenges for Modeling
