

## **Future directions for probing two and three nucleon short-range correlations at high energies**

*Tuesday, 13 May 2008 16:45 (0:30)*

### **Content**

### **Summary**

**Primary author(s) :** M. STRIKMAN (Penn State, USA)

**Presenter(s) :** M. STRIKMAN (Penn State, USA)

**Session Classification :** Future directions for probing two and three nucleon short-range correlations at high energies
