Type : **not specified**

## **Shannon information capacity of discrete synapses**

*Thursday, 19 June 2008 09:45 (0:45)*

### **Content**

### **Summary**

**Primary author(s) :** ADAM BARRETT (Inst. Adaptive & Neural Computation, Univ. Edinburgh, UK)

**Presenter(s) :** ADAM BARRETT (Inst. Adaptive & Neural Computation, Univ. Edinburgh, UK)

**Session Classification :** Shannon information capacity of discrete synapses
