Random conformal geometry and quantum gravity - part I

Tuesday, 8 July 2008 09:00 (1:30)

Content

Summary

Primary author(s) : BERTRAND DUPLANTIER (CEN Saclay, Physique Theorique, Gif-sur-Yvette, France)

Presenter(s) : BERTRAND DUPLANTIER (CEN Saclay, Physique Theorique, Gif-sur-Yvette, France)

Session Classification : Random conformal geometry and quantum gravity - part I
