

Intermittency, Coherent Structures and Convective Transport in Edge Turbulence

Wednesday, 16 July 2008 09:00 (1:00)

Content

Summary

Primary author(s) : T. CARTER (University of California at Los Angeles, Dept. of Physics and Astronomy. USA)

Presenter(s) : T. CARTER (University of California at Los Angeles, Dept. of Physics and Astronomy. USA)

Session Classification : Intermittency, Coherent Structures and Convective Transport in Edge Turbulence
