

Physics behind Modern Gyrokinetic Theory, Simulation, and Comparisons to Tokamak Experiments

Thursday, 17 July 2008 09:00 (1:00)

Content

Summary

Primary author(s) : T. HAHM (Princeton University, Plasma Physics Laboratory, USA)

Presenter(s) : T. HAHM (Princeton University, Plasma Physics Laboratory, USA)

Session Classification : Physics behind Modern Gyrokinetic Theory, Simulation, and Comparisons to Tokamak Experiments
